Integration of Refugees through Digital Tools and Cultural Heritage

REPORT QUESTIONNAIRES FOR STUDENTS AND TEACHERS

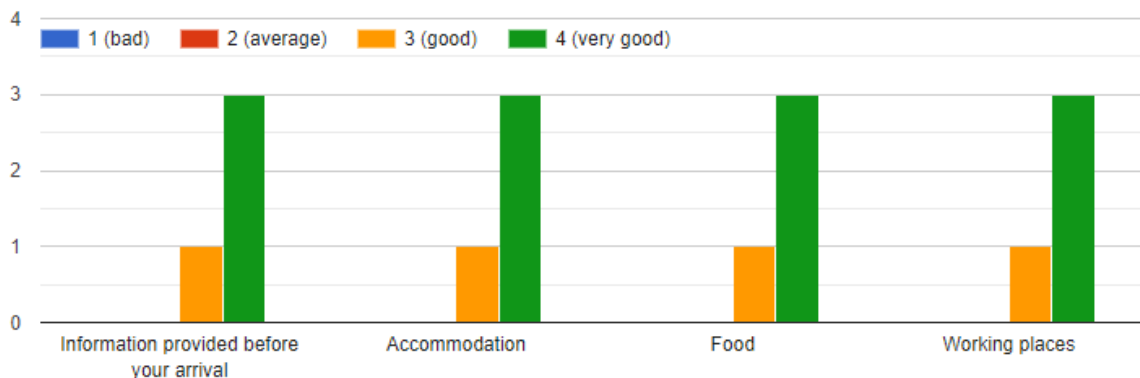

3rd Mobility

Holstebro, 15th–19th May 2019

This report on the first mobility experience will provide all partners of the project with valuable information which will benefit both future participants and contribute to the continued improvement of IntegrAPP+. We are grateful for your co-operation in filling out the questionnaire.

TEACHERS

Technical evaluation of the activity program

Please comment on the programme in terms of meeting your expectations

3 responses

The expectations were high and they were completely reached.

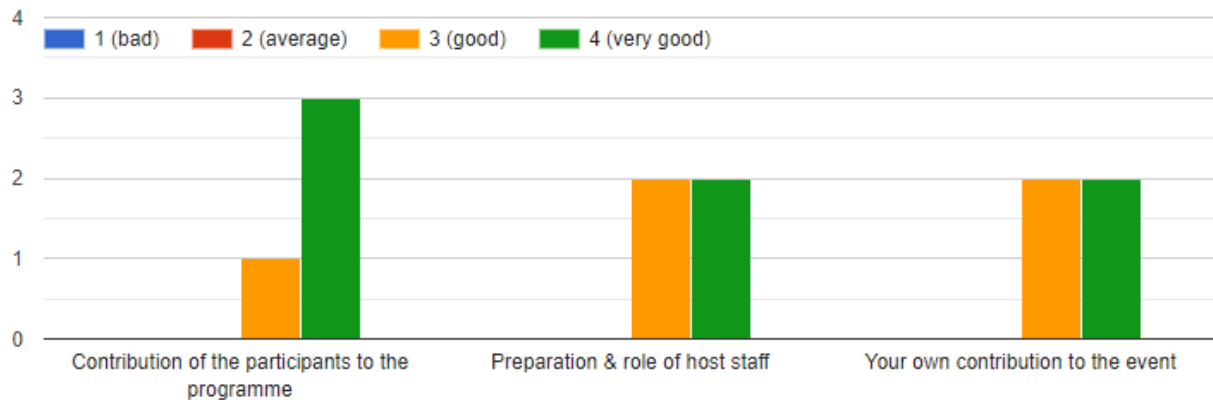

Everything was all right. Very completed programme

all went as planned

Please rate the participation and roles of the participants

What do you think that you have gained at this project visit? (State at least 3 things)

3 responses

Visit a real Refugee Centre and talk to real refugees.
 Learn about Danish culture, which it's amazing
 Enjoy the activities in group created by the coordinators.

- Cultural learning
- New experiences in a new country and with new people
- Expand my knowledge about refugees

learned about vikings. connected with the local organizations which work with foreigners. considered cultural heritage in our area

For the development of the next project meeting(s), what could you suggest?

3 responses

I would suggest the Italian coordinators make the rest of the coordinators sure about the activities and tasks we have to prepare.

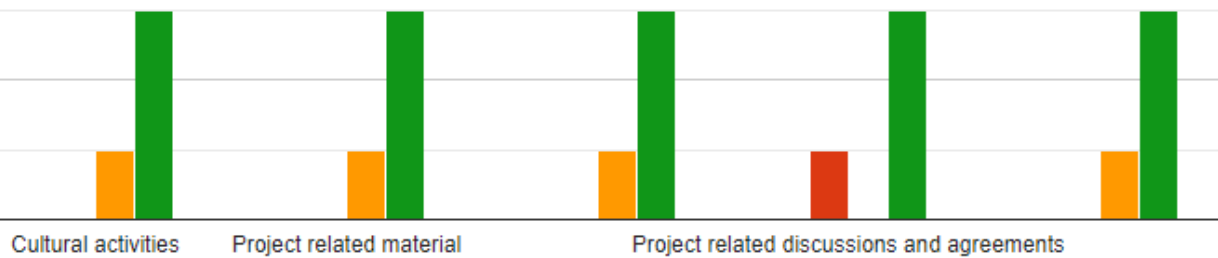

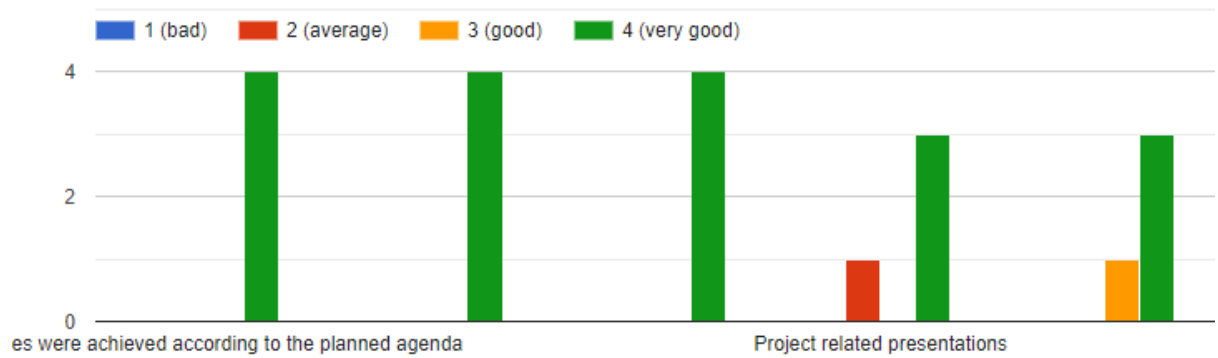

- Activities planning
- A good coordination as a previous meetings (Spain, Denmark, Finland)

some sort of conclusion. what have we learned? Looking back over the whole project.

Which project activity done so far do you find the most interesting? 11 responses

the meeting with the Sri Lankan refugees
all activities
The final night
I like all of the activities I can't choose only one
When we visited the refugees center
The night in high school
I wouldn't know which one you choose since I liked all the activities
The dance activity
visit to the Viking museum
I already find interesting the fact of involving other countries' schools and students.

Did you learn anything interesting while doing the project activities? If yes, what? 11 responses

Yes, I learned the culture in this city
Yes, the differences between the surrounding countries
Yes, the Danish culture
Yes, I learned how to work in a team
Yes, a lot of things
La creación de sociedades en las que se reúnen miembros de todas las culturas
Yes, I learned to live with other people
I learned how to live together with another family
I learned English better. And I have known the customs of another country.
I did. I learned some important things about the other countries.

Are any project activities helpful for your school performance? If yes, in which way? 10 responses

they are useful because you learn to forgive our ways of doing and living with those of other cities
Yes, because they have enriched my cultural and therefore historical knowledge
Yes, I improve my English and my confidence for speaking in front of people
Yes, the way they work
Yes, because in my English classes I can speak better and more confidently.
Yes, to improve my English
No
Yes, because in these projects you learn English better and during the lessons it is easy to study it.
I can't really think of one that is actually helpful for my school's performance. But almost every activity was fun.
